

## MANAGEMENT DEVELOPMENT INSTITUTE OF SINGAPORE AND PSB ACADEMY INDONESIAN STUDENTS' CHRISTIAN FELLOWSHIP (MDIS+PSB ISCF)

Though our CF is small, we are grateful for the support of our staffworker Victor (back row, third from right) and the encouraging presence of friends from NTU ISCF at our fellowship meetings.

MDIS+PSB ISCF is a combined CF of the two institutes. About four to five members regularly attend the fellowship meeting every Tuesday at Church of the Good Shepherd, who has kindly allowed us to use one of their rooms.

Since the start of this year we have been facing difficulties in terms of membership – all our senior members graduated and very few freshmen joined the CF. Furthermore, a few members were facing personal struggles, resulting in inconsistency in their faith.

Isaiah 41:10 (“Fear not, for I am with you; be not dismayed, for I am your God”) has strengthened me a lot. Jesus told us to take up our cross daily and follow Him, reminding us that following Him is not an easy task. If we want to be serious about our faith, then suffering will come. However, as we go through these difficulties, we will realise that we can't do anything apart from God. Our faith is strengthened as we rely on God. Though we are discouraged, the fact is God is still in control and walks with us. We hope that our CF members can be stronger, as well as encourage and care for each other.

### PRAYER POINTS

- We thank God for everything that he has given to us as a CF.
- Pray for God to renew and strengthen the Exco to be convicted and passionate again toward this ministry.
- Pray for those who are still struggling with their faith, that they will put their trust in God. For the new members, pray that they will see the CF as a place where they can share and grow in their faith.
- Pray for all the students in MDIS and PSB that they can have the joy and desire to study well, putting Jesus in the center of their life.
- For the upcoming events we have planned, pray that many students will come and know more about Jesus through our community that shows God's love towards one another.
- Pray for our staffworker Victor Wibowo, his family, and his ministry. Pray that he will keep near to God and be able to lead us. 🙏

## NANYANG TECHNOLOGICAL UNIVERSITY CHINESE CHRISTIAN FELLOWSHIP (NTU-CCF)

We are starting a new academic year and of course, resuming fellowship on campus! We look forward to an exciting year of experiencing God's grace and love as we strive to share God's love with our friends on campus. This year, NTU-CCF hopes to challenge each other to tune in to God's heart and convey his love. We have been blessed to be in NTU to be "salt and light" on campus. We want to cherish our time at NTU not just to pursue a degree, but to share God's love to a campus often caught up in academic competition, even among friends. Join us in our student ministry by praying with us!

May we all experience God by partaking in his ministry through our prayers.

The outgoing and incoming Exco, with their staffworker, Sze Khiong (back row, third from left) during the handing over session in March 2017

### PRAYER POINTS

- Thank God for guiding and blessing us every year in our ministry.
- We thank God for his protection and providence in our annual mission trip to Northern Thailand, where we worked with an alumnus in the ministry there.
- Pray with us for another year of grace and abundance. This year we hope to forge strong friendships with international students in the bridging programme as they adjust to Singapore and NTU's culture. May we embody God's love for them through our regular dinners and special programmes in collaboration with the English section.
- Pray that we may learn to see our campus, Singapore and the world, through God's eyes as we study the books of Jonah, Joel and Amos.
- It is difficult to juggle academics, fellowship meetings and church commitments, but we want to trust in God's plan for each of us.
- Please pray for our staff worker Sze Khiong, for strength and wisdom to minister to the two fellowships under his care. Pray for his health too, as we students must be quite a bunch for him to handle! 🙏

Chinese Medicine, Year 3

## SINGAPORE INSTITUTE OF MANAGEMENT STUDENTS' CHRISTIAN FELLOWSHIP (SIM SCF)

Welcoming new students at our recent Freshmen Orientation Camp

SIM SCF meets weekly on Wednesday evenings. We have around 30 active members with most of us being short-term, as a majority of us complete our courses within one and a half to two years.

Our theme for this academic year is to “Walk Across the Room”; it is a follow-up to our theme of “The Lordship of Christ” from last year. We want to actively challenge our members this year to step out of their comfort zones, and really ask themselves what it means to be a Christian on campus, as well as what it truly encompasses to have Christ as our Lord and Saviour.

This year, the Exco also wants to encourage our CF to be a part of the larger CF community through attending inter-varsity events, or just by encouraging a closer bond between the English, Chinese and Indonesian CFs within our own campus.

### PRAYER POINTS

- We thank God for bringing in a good number of interested freshmen who have expressed interest in joining us.
- Pray for our Exco as we adjust to the new responsibilities and challenges.
- Pray that God will bless us with willing and capable leaders, as we continue to wrestle with the issue of members leaving us after a short time being with us, due to the nature of our various courses.
- Pray that our Exco will continue to keep their focus on God, and his ministry for us, as we pursue the big plans he has laid before us this year.
- We are thankful for our new staffworker, Zephy, and we keep him in prayer so that he is able to manage his work, church, and studies wisely. 🙏

## SINGAPORE POLYTECHNIC CHRISTIAN FELLOWSHIP (SP CF)

SPCF (English and Chinese CF) taking part in the Poly50 campus relay event on 26 July 2017

SP (English) CF's theme for this year is from Romans 12, about loving God and loving people. Based on this theme, the committee came up with goals: to build close relationships among the members and to equip members to have a lifestyle of worship unto God.

This year, we encountered several issues among the committee members due to our busy schedules and lack of communication. Most of us had many commitments and we struggled to juggle all the responsibilities we had, which caused us to misunderstand each other.

However, we still manage to plan weekly CF sessions and actively participate in many events with the members. Despite facing troubles and having many other commitments, we thank God for granting us strength and wisdom to be able to serve him and his people.

Exco and Subcomm members, from left: (back row) Macus, Benjamin, John, Jason; (middle row) Janice, Aixin, Sarah Goh; (front row) Sarah Chua, Janine, Gabriel (staffworker)

## PRAYER POINTS

- Pray that the CF will be united to serve God and his people wholeheartedly and to show care and concern to one another.
- Pray that God will grant us strength and peace that surpass all understanding to be in our hearts, that we may shine for God in our studies and campuses.
- Pray for the CF Exco and sub-committee to have tenacity in serving God and to maintain good relationships with one another.
- Pray for God to guide the planning committee of the upcoming bonding camp in October, and that everything will go as planned.
- Pray for our staff worker, Gabriel, to have a blessed and an enjoyable marriage. May God grant him strength and wisdom to cope with daily demands in his life, as well as serve God faithfully. ✝
